

**Memorandum of Understanding
Agreement on Academic Cooperation
between**

**Fachhochschule Stralsund –
University of Applied Sciences,
Stralsund, Germany**

and

the National University Asunción, Paraguay

In recognition of a mutual desire to promote favorable cooperation between the **Fachhochschule Stralsund, University of Applied Sciences, Stralsund, Germany** and the **National University Asunción, Paraguay** shall institute a formal relationship for the purpose of academic and cultural exchange between the parties.

The parties hereto agree cooperation as follows:

1. Individual and joint research activities at each or both parties,
2. Exchange of information on degree programmes, research and development activities, results and publications,
3. Reception and / or exchange of staff for the purpose of carrying out research, delivering lectures, conducting seminars, and leading discussions,
4. Reception and / or exchange of undergraduate (bachelor) and graduate students (master or doctorate) for the purpose of study and research, along with other forms of collaboration will be negotiated for each specific instance.

All financial arrangements will be negotiated and will depend upon the availability of funds. The Agreement on Academic Cooperation shall not create any legal or financial relationship between the parties. The MoU form will be revised every two years after the date of countersign.
